

Do you receive more than one phone bill from Yukon Telephone?

If you have more than one telephone line with Yukon Telephone you are currently receiving one bill per number. We now have the ability to send one bill for your multiple telephone lines. The bill splits out each phone number along with the charges per line and a summary page for an overall total. If you would like to start receiving one bill each month for all of your phone lines please call or fax the numbers listed below, email katy@yukontel.com, or write on your payment that you would like to receive only one bill for all your lines each month. Please specify all of the account numbers affected and which account number you would like billed as the main account number.

Ruby	468-4452	Fax	745-5362
Tanana	366-7110	Whittier	472-2300
Wasilla	745-5363	Toll Free	800-478-2556
